ABOUT US

Lieng Tong Rice Vermicelli Co., Ltd was founded on 8 August 1978 with the objectives to manufacture premium quality of rice vermicelli. With our strength in raw material selection; Thai rice, and the increased demand in rice flour, glutinous rice flour, and rice noodles, thus founding Lieng Tong Rice Flour Co.,Ltd on 20 November 2002.

Lieng Tong Rice Vermicelli and Flour continuously expanded both domestic and international market to meet the growing demand. With our own laboratory and R&D team, the company's dedication to quality improvement and food safety is at the top of priority list as certified by various professional organizations.

From its beginnings to present, Lieng Tong Rice Vermicelli and Flour has maintained its ethics of building and organization with effective management, good governance with transparency in operation and fair returns to all related parties as well as engaging in sustainable development for communities and society.

联通米粉厂有限公司 成立于1978年8月8日，生产优质米粉，在业内具有良好口碑。产品选料考究，做工精良；目前，泰国米粉、糯米粉、米粉需求日益增加，2002年11月20日，联通米粉厂有限公司。
